Take the voyage on the famous "Maid of the Mist" which gets passengers as close as possible to the Niagara Falls! Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort. Upon the sunset, you will also watch a Thundering Water Cultural Show which is a sacred place for the local Native American people. This show uses dance as a storytelling medium through which to showcase the impact that the falls have had on native culture. (The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and US Federal Government regulations on driving hours.) The National September 11 Memorial Museum serves as the country's principal institution concerned with exploring the implications of the events of 9/11, documenting the impact of those events and exploring 911's continuing significance.

Into the night, Broadway musicals are one of the most celebrated symbols of the city. You will have a chance to watch the world admired Broadway shows upon your request.
