Day 2: Washington, D.C. – Amish – Philadelphia – NYC Night Tour*

We are going to Lancaster and visit an Amish Village. The Amish are a group of traditionalist Christian church fellowships from Swiss Anabaptist origins. Today, the most traditional descendants of the Amish continue to speak Pennsylvania German, also known as “Pennsylvania Dutch”. Despite the development of the contemporary technologies in the 21st century, the rules of the church must be observed by every member and cover most aspects of day-to-day living, including prohibitions or limitations on the use of power-line electricity, telephones, and automobiles, as well as regulations on clothing. Most Amish do not buy commercial insurance or participate in Social Security. As present-day Anabaptists, Amish church members practice nonresistance and will not perform any type of military service. Amish life is always remarkable in the trip with such a huge contrast to the modern social values. Later, we will enjoy a special authentic Amish lunch.

Next, we will visit Philadelphia where recognized as the birthplace of American democracy. At the Independence National Historical Park, tour guide will arrange a free time for guests to walk around. Inside the Independence Hall, you will have a special moment of standing exactly where the Declaration of Independence and the Constitution were signed. You also won't miss the Liberty Bell which is recognized for its famous crack. Go beyond the iconic crack to learn how this State House bell was transformed into an extraordinary symbol. You will also see the Statue of Washington, Congress Hall, and many other great attractions. (According to the traffic, weather and time of the day, guests may have chance to visit One Liberty Observation Deck, which is the only observation deck in Philadelphia. Guests will stand on the shoulder of Philadelphia's 'giant', Benjamin Franklin, to see the historic city through a splendid 360-degree view).

In the evening, upon arrival in New York, you are invited to join our delicately tailored New York City Night Tour that accesses you to stunning views of the “Sleepless Town” at \$25/person. (*Night tour requires at least 4 guests enrolled.)

The National Mall sees millions of visitors and protestors every year, but it has also played as host to many history-making events. We will visit the Lincoln Memorial. This grand monument overlooks the Reflecting Pool, the Washington Monument and the U.S. Capitol. Inside, the 19-foot marble statue of the 16th president is flanked by inscriptions of his Second Inaugural Address and the famous Gettysburg Address. Our tour will also stop at the Vietnam Veterans Memorial and the Korean War Memorial. The two monuments honor members of the U.S. armed forces who fought in the wars. In the Smithsonian National Air and Space Museum, we will take a glance at the human aviation and space heritage as well as have a vision of space travel in the future through thousands of objects on display, including the 1903 Wright Flyer, Charles Lindbergh's Spirit of St. Louis, the Apollo 11 Command Module Columbia, and a lunar rock you can touch.
