There is a lot to see around Chicago. Our tour will start with the biggest industrial city of Wisconsin, Milwaukee, birthplace of Harley-Davidson motorcycles. Visit Harley-Davidson Museum and have a glimpse of American history that you've never seen before. This all-American legendary motorcycle brand showcases a collection of 450 motorcycles and artifacts including the oldest known Harley Davidson motorcycle. Every hand crafted bike is passing the message of Harley Davidson spirit: passion, freedom, bravery, and individuality.

Visit the beautiful campus of the Northwestern University. It is one of the best universities in the States with a history of more than 150 years, ranking the 14th in America and 30<sup>th</sup> in the world.

We will then visit the Bah á íHouse of Worship in Wilmette, Illinois. It is the oldest surviving Bah á íHouse of Worship in the world and the only one in the United States. Three core principles establish a basis for Bah á íteachings and doctrine: the unity of God, the unity of religion, and the unity of humanity.

We will also see the Harris Bradley Center, home court of NBA home team Milwaukee Bucks and the St. Joseph's Catholic Church along the way.
