In addition, you surely don't want to miss the opportunity to take our exclusive cruise for sightseeing of the town on the Potomac River! (If the cruise closed, we will visit International Spy Museum instead. The museum is a museum exploring the craft, practice, history, and contemporary role of espionage. It is the only public museum in the United States solely dedicated to espionage and the only one in the world to provide a global

perspective on an all-but-invisible profession. It also features the largest collection of international espionage artifacts ever placed on public display. Day 2 Washington D.C. – Corning – Niagara Falls

We will arrive at one of Fortune Global 500's headquarter, Corning, to visit the Museum of Glass, which is dedicated to the history, art, and science behind glassmaking. Its collection contains more than 45,000 objects, some of which date back millennia. Guests here will be invited to enjoy the Hot Glass Show which is performed by professional glass craftsmen. After lunch, we are going to see the renowned Niagara Falls. Overlooking American Fall, the Horseshoe Fall and the Bridal Veil Fall, you will be astounded by the deafening roar of the falls. Take the voyage on the famous "Maid of the Mist" which gets passengers as close as possible to the Niagara Falls! The Maid rides right into the mists thrown up by the roaring cascade as the Niagara River tumbles over the edge of the falls. (When Maid of the Mist closed in winter, another fun awaits you when time allows – an exclusive JetBoat ride on the Niagara River which makes the tour unforgettable and refreshing by playing in the whitewater rapids. *JetBoat tour will be closed under tough weather or river icy condition.) You can also optionally watch a Niagara IMAX movie which chronicles more than 12,000 years of history and examines human interaction with the falls from ancient time through the people - like you - who come to see them today.

Later you can choose either: A. to stay in the Falls Park for self-exploration till returning the hotel, or, B. to take Niagara Falls In-depth Tour (Tour fee: \$25/person, including \$13 of the admission ticket). This interesting and exciting tour includes two popular attractions: the magnificent natural wonder - Niagara Whirlpool State Park and the U.S. historic landmark - Old Fort Niagara. The Niagara Whirlpool's greatest depth is 125 feet. It is estimated the whirlpool formed approximately 4,200 years ago by the upstream erosion of the Niagara escarpment by Niagara River. Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort. Upon the sunset, you will also watch a Thundering Water Cultural Show which is a sacred place for the local Native American people. This show uses dance as a storytelling medium through which to showcase the impact that the falls have had on native culture. (The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and US Federal Government regulations on driving hours.) Later we will go to the hotel when night falls.
