*Itinerary arrangement:

Day 1: NYC-King's Dominion

Start from morning, we'll depart NYC for Virginia's Kings Dominion*, where we will arrive at around 2:30pm. The amusement park has lots of fantastic features that will keep the thrill-seekers in your family happy: 13 of the wildest roller coasters on the entire East Coast; the Waterworks area, which is 20 acres of water-filled, water-themed water fun; as well as live shows and rides for smaller children. We'll have several hours to spend at this exciting spot before we leave the park at around 6:30pm to check in to the hotel for the evening.

Reference hotel: Econo Lodge Sandston Richmond or similar

Day 2: Busch Gardens

Today we'll spend a full day in Virginia's Busch Gardens*, where we will arrive at 10:00 am. Here we'll enjoy dozens of thrilling rides and attractions with a European theme (The Curse of DarKastle, Alpengeist, Escape from Pompeii, Apollo's Chariot, and the Loch Ness Monster, to name a few), ten main stage shows, a wide variety of authentic foods and shops, and a

magical children's area. And adrenaline junkies among you should make sure to take a ride on the Griffon, the tallest dive coaster in the world, which carries riders up 205 feet, then hurls them 90 degrees straight down at a speed of 70 mph! It plunges, twists and turns - giving riders a heart-racing adventure like none other. After our day full of adventure, we'll leave the park at around 7:00pm to return to our hotel.

Reference hotel: Econo Lodge Sandston Richmond or similar

Day 3: Virginia Beach-Chesapeake Bay Bridge-NYC

We will visit Virginia Beach in the morning to enjoy the sunshine; the long and elegant boardwalk festooned by unique sculptures and statuary and lined with shops and restaurants, as well as the pretty lighthouses that dot the coastline. It will be easy to see why this is such a popular tourist destination! In the afternoon, we will make our way north to the Chesapeake Bay Bridge-Tunnel. An engineering marvel, it is the 17 mile link on U.S. Rt. 13 between Virginia Beach/Norfolk and Virginia's Eastern Shore. Rising 30 feet above water, it sits atop four manmade islands and allows ships to glide gracefully underneath highway traffic. We'll then make our way back to New York, where we will arrive at night.

Requirement: the admission tickets are mandatory, not optional. We don't accept online pre-purchase admission tickets for this tour, passengers who joining this tour need to purchase the theme park tickets from the tour leader with cash.
