White Mountain is part of the Appalachia Mountains, in the northwest of New Hampshire and Maine, the mountain is 140 km length an 1,500-1,800 meters high, it has a nick name of president peak group. The Mount Washington is the peak of the White Mountain, which is also the highest point of the northeast in the United States, 1,917 meters high. There are multi-glacial valley, forests, natural trails and numerous camp grounds, as an ideal summer vacation land.

## Day 1

【The Polar Caves】

The Polar Caves were formed about 50,000 years ago, it's the formation of the glacier after the ice age in the north east of the United States, and we would discover the nine special natural glacier caves in the park.

### 【Lake Winnepesaukee Dinner Cruise】

Enjoy a romantic evening cruising Lake Winnepesaukee aboard the M/S Mount Washington. Dinner dance cruises include a delicious buffet dinner and dancing to live music. Swing to the tunes of the Good Old Days and watch the sun set on the big lake. The Lake Winnepesaukee is the largest lake in New Hampshire, which located in Laconia, along the White Mountain, 32km long, 19km wide, it has 274 islands, we take the boat enjoy the beautiful mountain and lakeshore along the clean and clear lake, comfortable and leisurely.

## Day 2

### 【Cannon Mountain】

We are going to take an 80 passenger cable car to the 4,080 foot summit of cannon mountain in under 10 minutes. On a clear day, you can see the mountains of four states and Canada. There is a 360 degree observation desk on the summit of the mountain.

### 【Flume Gorge】

The flume Gorge was form 200 million years ago in Jurassic times, after the movement of granite and erosion, it forms more than 20 falls along the path, we can walk along the gorge to recall the secret workings of Mother Nature.

### 【Mount Washington Cog Railway】

We are taking the one of the 140 years old cog railway to the Mount Washington, this is an unforgettable adventure, magnificent scenery, the classic steam engine combined with a spectacular climb up the highest mountain in the northeast, 6,800 foot high, we would have a great view along the path to the summit .

## Day 3

**【Lake George Minne-Haha Cruise】**

we are taking the Minne-Haha cruise, which is a 150 year old steamboat company in the Lake George, we circling around this beautiful lake, hearing the sound of steam produced from the boat, enjoying the beautiful mountains and trees along the lake, the meaning of Minne-haha is "laughing water"

**【Saratoga Springs】**

Saratoga Springs is a one of the few towns with mineral springs in the country, which has made Saratoga a popular resort destination for over 200 years. We will pass by the city of Saratoga Spring. Also there water has been served during many presidential inaugurations in Washington D.C including Barack Obama in 2013.

**【Walkway over the Hudson】**

Walkway over the Hudson state historic park, is a linear walkway spanning the Hudson River, a 212 feet tall and 1.28 mile long, it is the longest, elevated pedestrian bridge in the world.
