Itinerary:

Day 1: New York- Princeton-Philadelphia- Amish Village

In the morning, we will visit **Princeton University**, one of the prestigious Ivy League universities in United States. A guided campus tour will be arranged when available, which will bring guests the opportunity to know more about American education culture.

Then we will head to the **National Independence Historical Park** in **Philadelphia**. While walking on the cobblestone streets, it seems that you could still hear the rings by the **Liberty Bell**, which has witnessed the founding history of America. **Independence Hall** (outside view), the birthplace of American modern democracy, where the Declaration of the Independence and the Constitution was debated and adopted.

Next, we will go to Lancaster to visit the **Amish Village**. Despite the development of the contemporary

technologies in the 21st century, the Amish still live a rural way of life. They enjoy their simple and strict life and keep away from light, phone, and TV. Amish life is always remarkable in the trip with such a huge contrast with the modern social values. We will have a tradition Amish dinner here and then go back the hotel.

Reference hotel: [Comfort Inn/ Days Inn, MD or equivalent](#)

Day 2: Washington D.C. -New York

Departure from the hotel in early morning, we will spend the day visiting **Washington D.C.**, the capital of the United State.

First, we will visit **National Air and Space Museum**. The Air and Space Museum on the business street recorded the development of the aerospace industry. There are the Wright Brothers' aircrafts in 1903, modern out space exploration, St. Louis's Lindbergh's Spirit and the real Apollo 11 cockpit.

The sightseeing also included the **White House (outside view)**, America's seat of governing power. When we are standing in front of the **Capitol Hill (outside view)**, the congress building in retro style will totally leap into our eyes. We will *pass by* Jefferson Memorial along with the Tidal Basin. And then we will visit **Lincoln memorial**, whose famous aphorisms was decorated on the wall. You can also pay tribute to the heroes sacrificed in the Vietnam War and the Korean War. The Vietnam War monument in memory of the dead martyrs was designed by Linying, simple and moving. The Korean War monument describes the intense and miserable battles.

Also, this tour will take the* **D.C.Cruise** along Potomac River to see many of the areas' most historic landmarks and memorials in a unique way. (*When the DC cruise closed during winter, we will visit **International Spy Museum** instead. The museum is a museum exploring the craft, practice, history, and contemporary role of espionage. It is the only public museum in the United States solely dedicated to espionage and the only one in the world to provide a global perspective on an all-but-invisible profession.)

If time permits, we will be visiting the Madame Tussands in Washington D.C. which is the only attraction you can get close to the "45 presidents" of US.
