### Itinerary

Day One: In the morning. We will head to Niagara Falls to ride the Maid of the Mist. This famous boat ride gets passengers up close and personal with the Niagara Falls! The Maid rides right into the mists thrown up by the roaring cascade as the Niagara River tumbles over the edge of the falls. At the evening, will see the Niagara Fall night view. For more than 75 years, visitors to Niagara Falls have been able to enjoy a nighttime illumination of the impressive American and Horseshoe falls. Every night of the year at dusk, visitors can experience the falls a new way. (\*The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and US Federal Government regulations on driving hours.)

Reference Hotel: R.I.T Rochester/Best Western Plus Lockport Hotel/SLEEP INN AMHEST or similar

Day Two: In the morning, we will also have the option of joining an In-Depth Tour of the area that visits places such as Whirlpool State Park and Old Fort Niagara. This interesting and exciting fuller tour of the greater Niagara area takes guests to sights they otherwise may not see, such as the impressive water formation at Whirlpool State Park or the historic Old Fort Niagara.

The next stop- we will head to the Niagara Falls State Park and prepare to board on the Goat Island and visit "Cave of the Winds". The Cave of the Winds trip takes you closer

to the waters of Niagara Falls than you thought possible. You ride an elevator 175 feet (53 meters) deep into the Niagara Gorge. Then, clad in a bright yellow poncho and wearing the special footwear provided, you follow a tour guide over a series of wooden walkways to the famous "Hurricane Deck".
