Itinerary

Day 1 New York-Thousand Islands (summer)/Secret Cavern (winter)

Guests will be picked up in New York and New Jersey in the early morning. From there we will travel north to the **Thousand Islands** (US side), where we will take a Boat tour. It will take visitors by some of the most well-known locales, such as Zavikon Island, the mysterious Deer Island, and the famous Boldt Castle mansion on Heart Island.

*When the thousand islands close during winter schedule, the tour will be substituted by either Secret Cavern in the upstate New York.

Secret Caverns- Discovered by a farmer after his cattle wandered into the entrance to cool down, the Secret Caverns are a kitschy and odd alternative to the nearby larger enterprise, Howe Caverns. A 103-step staircase is the only way in or out.

After dinner, we will back to hotel for rest in the evening.

Reference hotel: R.I.T.INN, Rochester, Holiday Inn Rochester Airport or similar

Day 2 Niagara fall In Depth Tour-Maid of the Mist-New York

Departure from the hotel in the morning, we will continue to explore Niagara Falls, NY where we will take **Niagara Fall Depth Tour** and take the famous **Maid of the Mist** boat ride. Afterward, we will arrive back at the pickup points in New York in the evening.

***Niagara Falls In-Depth Tour** – This interesting and exciting tour is including two popular attractions such as the magnificent natural wonder- Niagara Whirlpool State Park and the U.S. historic landmark – **Old Fort Niagara**. The Niagara Whirlpool’s greatest depth is 125 feet. It is estimated the whirlpool formed approximately 4,200 years ago by the upstream erosion of the Niagara escarpment by Niagara River. Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lay behind the Fort.

***Maid of the Mist (Summer Schedule)** -This famous boat ride gets passengers up close and personal with the Niagara Falls! The Maid rides right into the mists thrown up by the roaring cascade as the Niagara River tumbles over the edge of the falls. (ONLY AVAILABLE BETWEEN MAY-OCTOBER)

***Jet Boat (Winter Schedule)** -Whirlpool Jet Boat Tours operates a fleet of custom-built vessels designed to the latest innovations in marine technology. Our boats use a triple turbo diesel water jet system for both propulsion and steering, a design that creates incredible reliability and safety in the turbulent whitewater rapids.
