Itinerary

Day 1 New York-Corning (winter)/Watkins Glen (summer)-Niagara Falls

We will head north to the **Corning Glass Museum (winter)** in **Corning, NY** to learn about glassmaking. Or visiting **Watkins Glenn State Park (summer)** in the upstate finger lake area. From there we will continue on to **Niagara Falls, NY** where we will see **Thundering Water Cultural Show**.

****Corning, NY (winter schedule: Nov-April)**

Corning Glass Museum - in western New York is dedicated to the history, art, and science behind glassmaking. Its collection contains more than 45,000 objects, some of which date back millennia. It was founded in 1951 and sees 400,000 visitors annually.

****Watkins Glen State Park (summer schedule: May-Oct)**

Watkins Glen Creek has carved a dramatic gorge into the Watkins Glen hillside, resulting in a large, cavern-like network of rock formations. Visitors can take guided tours, do some hiking, or just spend some time in the park.

****Niagara Fall**

Niagara Falls Illumination -For more than 75 years, visitors to Niagara Falls have been able to enjoy a nighttime illumination of the impressive American and Horseshoe falls. Every night of the year at dusk, visitors can experience the falls a new way. **The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and US Federal Government regulations on driving hours.**

Thundering Water Cultural Show, like many impressive wonders of nature, is a sacred place for the local Native American people. This show uses dance as a storytelling medium through which to showcase the impact that the falls have had on native culture.

Day 2 Niagara Fall-Toronto

We will continue our tour Niagara Falls by heading into Canada to take the famous Niagara Fall Cruise ride and see an informational movie at the **IMAX Theater**. We will also ascend the **Skylon Tower**. The tour then departs for **Toronto, ON**, one of Canada's largest cities. There we will visit the **CN Tower** and guests will have the option to take a **casa loma**. We will have dinner in historical **Chinatown**.

Skylon Tower This observation tower on the Canadian side of Niagara Falls offers bird's-eye views of one of the world's favorite natural wonders. The tower stands 520 feet from street level and 775 feet from the bottom of the falls

Niagara Fall Cruise (Canadian side seasonal) -Get ready to get wet: this world-famous boat ride takes passengers as close to the falls as it is possible to get. Look up into the tumbling water of the Niagara River and feel the mist on your face!

Niagara Falls IMAX -This amazing movie experience, presented on an unbelievable IMAX screen, chronicles more than 12,000 years of history and examines human interaction with the falls from ancient time through the people-- like you-- who come to see them today.

CN Tower- Toronto's CN Tower is a Canadian icon and one of the most recognizable North American buildings. Made entirely of concrete, this massive monolith was the tallest structure in the world at the time of its completion in 1976.

Chinatown- One of the largest Chinatowns in North America is located in downtown Toronto, Ontario. Toronto contains several Chinatowns. This one is the oldest, dating back to the 1870s, and the historical area features many authentic groceries, restaurants, and shops.

Casa Loma- (Spanish for Hill House) is a Gothic Revival style house and gardens in midtown Toronto, Ontario, Canada, that is now a museum and landmark. It was originally a resident for financier Sir Henry Mill Pellatt. Casa Loma was constructed over a three-year period from 1911-1914. The architect of mansion was E.J. Lennox, who was also responsible for designs of several other city landmarks. Casa Loma is situated an altitude of 140m.

Day 3 Toronto-Thousand Islands-Ottawa-Montreal

In the morning, we will leave Toronto for the **Thousand Islands** to take a **Boat Tour(seasonal)** of the area and then continue on to **Ottawa, ON**, where we will visit **Parliament Hill**. From there, we will journey to **Montreal, QC** to see the **Olympic Stadium and Tower** and **Old Montreal**.

****Ottawa, ON**

Parliament Hill located on the banks of the Ottawa River Canada's capital city, is home to the Canadian Parliament. The gorgeous location and dramatic architecture make this a huge tourist location-- more than 3 million people come every year.

****Montreal, Quebec**

Olympic Stadium and Tower The "tower" portion of this Stadium, which was originally constructed for the 1976 Olympics, is the tallest inclined tower in the world, stretching 574 feet into the air. This enormous building has a capacity of 78,322.

Montreal Biodome was originally constructed in 1973 for the Montreal Olympic games as an area for track cycling and judo events known as a velodrome. The building was converted into a zoo and nature museum in 1992.

Day 4 Montreal-New York

After shopping at some duty-free stores in the morning, we will continue our day with a visit to the **Ausable Chasm** in upstate New York. Ausable Chasm Ausable Chasm, carved into upstate New York's Adirondack Mountains by an eponymous river, is made of 500-foot-thick Potsdam sandstone that is over 500 million years old. At its southern end, it drains into Lake Champlain.
