Day 3 Philadelphia-Washington D.C

Yes, it will be a special moment: you will be standing exactly at the location where both the Declaration of Independence and the United States Constitution were debated and adopted. The original Bell, with its distinctive crack, is now on display across the street in the Liberty Bell Center. As the birthplace and the second capital city of this nation, Philadelphia is so historical. 150 miles south away is located our new capital - Washington, DC While the White House remains closed to the public, feel free to take photos from its outside. Besides stepping onto Lincoln Memorial, Vietnam and Korean War Memorials, our motorcoach takes you in town passing by the splendid Washington Monument and Jefferson Memorial. The National Air and Space Museum of the Smithsonian Institution, located in the same area called national Mall as the Capitol Hill, holds the largest collection of historic aircraft and spacecraft in the world in 161,145 square feet of exhibition floor space. Still, you surely do not want to miss the opportunity to take our exclusive cruise on Potomac River to explore some best kept secrets in town!

Day 4 Washington DC - Corning-Niagara Falls Night View

Driving through the hilly Pennsylvania and New York State, the several hours of ride becomes a perfect time to enjoy the rural scenes. Corning Museum of Glass, which maintains the most comprehensive collection of historic and art glass in the world: 35,000 glass pieces representing 35 centuries of glass craftsmanship. In addition, enjoy the hot glass show performed by some most experienced technicians. Amazed by the deafening roar of both the American and the Horseshoe Falls, you are strolling in the State Park with the mist from both falls spraying up in your face. Maid of the Mist takes you all the way into the water. Catch "Niagara: Legends of Adventure," a dramatic 45-minute IMAX film on the new 45X25-foot screen. Then you can choose either to stay in the Falls Park for self exploration until returning to the hotel or have an in-depth tour (\$ 25/Adult) by visiting the Hydropower Station and Old Fort Niagara. Nobody than the Native Americans know better about how strategic Niagara Falls' location is, and the Europeans learned it in the hard way!
