## **Itinerary**

### **Day 1: Washington, D.C. – Amish Village – Philadelphia – New York Night Tour\***

We are going to Lancaster and visit an Amish Village. The Amish are a group of traditionalist Christian church fellowships from Swiss Anabaptist origins. Today, the most traditional descendants of the Amish continue to speak Pennsylvania German, also known as “Pennsylvania Dutch”. Despite the development of the contemporary technologies in the 21st century, the rules of the church must be observed by every member and cover most aspects of day-to-day living, including prohibitions or limitations on the use of power-line electricity, telephones, and automobiles, as well as regulations on clothing. Most Amish do not buy commercial insurance or participate in Social Security. As present-day Anabaptists, Amish church members practice nonresistance and will not perform any type of military service. Amish life is always remarkable in the trip with such a huge contrast to the modern social values. Later, we will enjoy a special authentic Amish lunch.

Next, we will visit Philadelphia where recognized as the birthplace of American democracy. At the Independence National Historical Park, tour guide will arrange a free time for guests to walk around. Inside the Independence Hall, you will have a special moment of standing exactly where the Declaration of Independence and the Constitution were signed. You also won't miss the Liberty Bell which is recognized for its famous crack. Go beyond the iconic crack to learn how this State House bell was transformed into an extraordinary symbol. You will also see the Statue of Washington, Congress Hall, and many other great attractions.

In the evening, upon arrival in New York, you are invited to join our delicately tailored New York City Night Tour that accesses you to stunning views of the “Sleepless Town” at \$25/person. (\*Night tour requires at least 4 guests enrolled.)

Empire State Building stood as the world's tallest building for nearly 40 years, and has been surpassed in late 1970. Its name is derived from the nickname of New York, the Empire State. Nowadays it is still the most famed landmark of the city. Also, Guests will take a sightseeing cruise tour on the Hudson River to enjoy the city view from a totally different angle, as well as take pictures with the backdrops of Statue of Liberty and Brooklyn Bridge. Furthermore, visit U.S.S Intrepid, the legendary aircraft carrier and national heritage that costs \$120 million, which is reopen for visitors.
