### *Itinerary: New York - Washington D.C. - Cherry Blossom Cruise*

Departing from New York in the morning, we are heading to our nation's Capital, Washington D.C. The sightseeing of the trip may begin with the White House (pass by), America's seat of governing power. When we pass by the Capitol Hill, the congress building in retro style will leap into our eyes. We will pass by Lincoln Memorial, and visit Jefferson Memorial, where we can honor these notable past presidents and consider the impact they have had in our history. All of these memorials are lined with stunning decorations and the stirring words of these great American heroes. From the Jefferson Memorial, there will be specular view in every April as the Cherry Blossom blooming along the Tidal Basin. Donated by Japan as a gesture of friendship and peace, the Cherry Blossom trees in DC have graced the Tidal Basin and Potomac Waterfront for over 100 years. And the guest will have the chance to take the DC Cherry Blossom Cruise, where we could see most remarkable landmarks in DC area: the Pentagon, Washington memorial, Ronald Reagan international airport, and so on. It must be such a relaxing and enjoyable sightseeing experience.

**\*PS:** Based on busy season, the Cherry Blossom Cruise requires minimum 35 customers per tour and the attraction may be changed if the cruise is packed.

Due to the short florescence and weak petals of cherry blossom, we can not guarantee seeing the blooming cherry blossoms for departures earlier or later than the peak bloom period. But we'll do other itineraries the same.

\*The estimate drop off time will be around 11:30pm or later.
