### **Day 1: New York - Washington D.C. - Cherry Blossom Cruise**

Departing from New York in the morning, we are heading to our nation's Capital, Washington D.C. The sightseeing of the trip may begin with the White House (outside view), America's seat of governing power. When we are standing in front of the Capitol Hill, the congress building in retro style will totally leap into our eyes. We will go into the Lincoln Memorial, and Jefferson Memorial, where we can honor these notable past presidents and consider the impact they have had in our history. All of these memorials are lined with stunning decorations and the stirring words of these great American heroes. From the Jefferson Memorial, there will be specular view in every April as the Cherry Blossom blooming along the Tidal Basin. Donated by Japan as a gesture of friendship and peace, the Cherry Blossom trees in DC have graced the Tidal Basin and Potomac Waterfront for over 100 years. And the guest will have the chance to take the Potomac River Cruise, where we could see most significant landmarks in DC area: Pentagon, Washington memorial, Ronald Reagan international airport, and so on. It must be such a relaxing and enjoyable sightseeing experience. If time permits, we will be visiting the Madame Tussands in Washington D.C. which is the only attraction you can get close to the "44 presidents" of US. We will have the chance to explore the inner structure of The White House, taking photographs with Oval Office desk aka The Resolute Desk. The great names will be memorized and honored forever.

*Standard hotel: Comfort Inn/Days Inn, MD or similar*

### **Day 2: Hershey's Chocolate World - Harrisburg - ROADSIDE AMERICA - New York**

Depart from hotel in the morning for Pennsylvania to visit the largest chocolate brands - Hershey's Chocolate World. Enjoy a free 10-minute Omni mover dark ride tour that shows a simulation of the chocolate making process. The tour also concludes with a free sample of a Hershey's product. Shop Hershey's chocolate products in marketplaces and restaurants. Then we'll pass by the capital of Pennsylvania, Harrisburg. Harrisburg is the county seat of Dauphin County and lies on the east bank of the Susquehanna River, 105 miles (169 km) west-northwest of Philadelphia. Later on, we are going to visit ROADSIDE AMERICA village which is an unforgettable panorama of life in rural United States. The exhibit spans more than two hundred years in time and lets you see, in exquisite miniature, how people lived and worked in pioneer days ... through the years since then ... right up to the present. In newspapers and magazines,

ROADSIDE AMERICA has been acclaimed as the greatest known miniature village—the most unique and detailed masterpiece of its kind in the world. Passing through Pennsylvania and New Jersey, our bus will safely take you back to New York City in the early evening.

PS: Based on busy season, the DC Cherry Blossom Cruise requires minimum 35 customers per tour and the attraction may be changed if the cruise is packed.

Due to the short florescence and weak petals of cherry blossom, we can not guarantee seeing the blooming cherry blossoms for departures earlier or later than the peak bloom period. But we'll do other itineraries the same.
