Day 1: New York - Washington D.C. - Cherry Blossom Cruise

Departing from New York in the morning, we are heading to our nation's Capital, Washington D.C. The sightseeing of the trip may begin with the White House ([outside view](#)), America's seat of governing power. When we are standing in front of the Capitol Hill, the congress building in retro style will totally leap into our eyes. We will go to the Lincoln Memorial, where we can honor this notable past president and consider the impact he had in our history. From the Jefferson Memorial, there will be specular view in every April as the Cherry Blossom blooming along the Tidal Basin. Donated by Japan as a gesture of friendship and peace, the Cherry Blossom trees in DC have graced the Tidal Basin and Potomac Waterfront for over 100 years. And the guest will have the chance to take the ***DC cherry blossom Cruise** for sightseeing along the Potomac River. With a backdrop of full blooming cherry trees on the banks of the Potomac River, you can also see most iconic landmarks in the area: the Pentagon, Washington memorial, Air Force Memorial and so on... The cruise offers a best way to view the capital city being surrounded by cherry blossom!

If time permits, we will be visiting the Madame Tussands in Washington D.C. which is the only attraction you can get close to the "44 presidents" of US. We will have the chance to explore the inner structure of The White House, taking photographs with Oval Office desk aka The Resolute Desk. The great names will be memorized and honored forever.

Standard hotel: Comfort Inn/Days Inn, MD or similar

Day 2: Annapolis - Navy Academy - Adventure Aquarium - New York

Depart from Hotel in the morning for the United States **Naval Academy, Annapolis**, Maryland. We will continue to the Visitor Center ([require photo ID for entrance](#)), where America's Naval forces train in readiness for defense. The United States Naval Academy (also known as USNA, Annapolis, or Navy) is a four-year coeducational federal service academy located in Annapolis, Maryland, United States. Established in 1845 under Secretary of the Navy George Bancroft, it is the second-oldest of the United States' five service academies, and educates officers for commissioning primarily into the United States Navy and Marine Corps. The entire campus is a National Historic Landmark and home to many historic sites, buildings, and monuments. And then we are going to visit the most famous aquarium in New Jersey-" **Adventure Aquarium**". Immerse yourself in the watery world and get ready to experience the life aquatic at the Adventure Aquarium on the Waterfront. Now you can get hands-on, touch and more interactive than you've ever imagined with these creatures of the sea.
