Itinerary

Hudson River Valley apple picking - Brotherhood Winery

After a long hot summer, it's time to harvest fruits. We will go to the largest apple orchard in Hudson Valley to picking apples. Hudson Valley is America's second-largest apple-producing area. Short drive to upstate New York and we can enjoy the gorgeous Hudson Valley view. Hudson Valley produces a huge variety of apples, such as Empire apples, red apples, Fuji apples, and Macoun apples.

Brotherhood Winery (Brotherhood Winery) was established in 1839. Located in Hudson Valley, New York wine region, this winery is often regarded as the nation's oldest winery with over 170 years of brewing history. With such history, Brotherhood has a lot to offer to the public with different facilities such as wine tasting room, picnic area, and gift shop. The villa of the owner is also open to visitors, with many seatings available in the winery area. The entire winery is decorated with flowers, which can be seen everywhere. Here at Brotherhood, you can find the most complete list of wines. The winery itself represents the history of the US wine industry and wine culture. For more than 15 years, the White House has used Brotherhood wines as their designated wines for events.
