** Features: Corning town - Letchworth State Park - Watkins Glen State Park

First day: We will go to the famous town of **Corning**, well known as the capital of glass in the United States. Located in upstate New York, this elegant and chic museum sits quietly in the valley. With more than 45000 artifacts in its collection, some of which date back millennia, we can learn about the history of early glassmaking, techniques, as well as modern glass artworks. Corning also hosts Hot Glass Demos, in which live glassblowing demonstrations will be presented to audiences.

Then we will go to **Watkins Glen State Park**. Located in the Finger Lakes Region, this glen is famous for its special geological features. We will take a small hike along the Gorge Trail and follow Glen Creek that carved out the glen during the last 10000 years. We will be able to enjoy beautiful rock formation, cascades, and waterfalls.

Reference hotel: [Campus Gate lodge/ Days inn, Bath or similar](#)

Second day: We will head to **Letchworth State Park**, known as the 'Grand Canyon of the East'. Genesee River flows through the gorge and constantly reshapes it. Three large waterfalls can be found and enjoyed at this deep gorge.
