Day 1 New York – Whiteface Mountain Life- Highfall Gorge-Lake Placid

We will depart from NYC in the morning for the Whiteface Mountain and take the Whiteface Mountain Lift to enjoy the view on the mountain. We then travel to High Falls George, where under the shadow of Whiteface Mountain you can see the famous Ausable River as it plunges into deep crevices in its 700-foot journey. We will also set off on a scenic raft adventure on the same waters through spectacular rock formations (seasonal). We will then depart for Lake Placid, which boasts visual splendor, a beautiful Main Street and the Olympic Center for the sports enthusiast. After shopping on Main Street, we can take in views of the Olympic Center, an athletic home to the miracle 1980 U.S. Olympic hockey team and many figure skating stars along with Whiteface Mountain.

Day 2 Ausable Chasm - Lake George

We start the day with Ausable Chasm, as breathtaking now as it was when formation began nearly 500 million years ago. Visitors will have an opportunity to descend hundreds of feet and walk the natural stone walkways within the Chasm. The second stop will be Lake George in the Adirondacks. Lake George is truly a family getaway. There we will board the Minne-Ha-Ha, an authentic steamboat built in 1969, with a glass-enclosed engine on show for visitors.

We will then return to New York City at the evening.
