We will depart in the morning and start the tour!

- We will follow the path of history to **George W Bush Presidential Library**. The mission of the George Bush Presidential Library and Museum is to preserve and make available for research the official records, personal papers, and artifacts of President George H.W. Bush, to support democracy, promote civic education, and increase historical understanding of U.S. national experience through the life and times of George Bush.
- Then we will head to Fort Worth, visit **The Historic Stockyard**. Once home to cowboys, cattlemen and outlaws, today the Stockyards National Historic District is one of the most popular attractions in Texas. Day and night, visitors come to the Stockyards to get a taste of the true American West. Our guide will arrange a free time for guests to walk around.
- After lunch, we will go for the **Sixth Floor Museum at Dealey Plaza**. The museum examines the life, times, death, and legacy of President John F. Kennedy, and is located at the very spot from which Lee Harvey Oswald, according to four government investigations, shot and killed the President on November 22, 1963.
- Furthermore, the **Dallas World Aquarium** is a must-see! By stepping in you will see the artificial reproduction of the Orinoco Rainforest. The rainforest is an aviary, with birds such as scarlet ibis and toucans flying freely. While winding their way through the rainforest, visitors see the only public display of three-toed sloths and Antillean manatees in the United States, plus animals such as electric eels, caecilians, tamarins, poison dart frogs, Orinoco crocodiles, and vampire bats.
- Besides, we will get to the **Arts District** which is a performing and visual arts district in Downtown Dallas.
- The last but not the least, you don't want to miss the opportunity to step up to the most recognizable landmark in Dallas: **Reunion Tower**. You will enjoy the city view on the observation deck.

Along the way, you will see and pass by the Giant Eyeball, Pioneer Plaza. AA Center of "Mavericks".
