- Then go for **San Jacinto Monument**, the world's tallest masonry column. It commemorates the decisive battle of the Texas Revolution. Led by General Sam Houston, the Texan Army engaged and defeated General Antonio López de Santa Anna's Mexican army in a fight that lasted just 18 minutes. The monument is 567 feet tall and 17 feet higher than Washington Monument in DC, topped with a Lone Star – the symbol of Texas.
- The most important part of the day is **NASA Space Center**. We will go to the Space Center for Tram tour to Rocket Park, see the control center, astronaut training center, and space shuttle. The center features more than 400 space artifacts, permanent and traveling exhibits, attractions and theaters related to the exciting future and remarkable past of America's human space-flight program.
