We drive to Lancaster in PA to visit Amish village. The **Amish** are a group of traditionalist Christian church fellowships, closely related to but distinct from **Mennonite** churches, with whom they share Swiss **Anabaptist** origins. The Amish are known for **simple living**, **plain dress**, and reluctance to adopt many **conveniences of modern technology**. The history of the Amish church began with a **schism** in Switzerland within a group of Swiss and **Alsatian Anabaptists** in 1693 led by **Jakob Ammann**. Those who followed Ammann became known as Amish. We will see the group of people lead a life without electricity, automobiles, cellphones and keep themselves away from modern life. After lunch in the Amish restaurant, we go to Longwood Garden to see the beautiful plants and flowers from all kinds of different areas in the world, from the plants live in the desert to those live in the rain forest.
