Day 1: Washington, D.C. – Amish Village – Philadelphia – New York Night Tour*

We are going to Lancaster and visit an Amish Village. The Amish are a group of traditionalist Christian church fellowships from Swiss Anabaptist origins. Today, the most traditional descendants of the Amish continue to speak Pennsylvania German, also known as “Pennsylvania Dutch”. Despite the development of the contemporary technologies in the 21st century, the rules of the church must be observed by every member and cover most aspects of day-to-day living, including prohibitions or limitations on the use of power-line electricity, telephones, and automobiles, as well as regulations on clothing. Most Amish do not buy commercial insurance or participate in Social Security. As present-day Anabaptists, Amish church members practice nonresistance and will not perform any type of military service. Amish life is always remarkable in the trip with such a huge contrast to the modern social values.

Next, we will visit Philadelphia where recognized as the birthplace of American democracy. At the Independence National Historical Park, tour guide will arrange a free time for guests to walk around. Inside the Independence Hall, you will have a special moment of standing exactly where the Declaration of Independence and the Constitution were signed.
