Itinerary Feature: Luray Caverns, Skyline Drive National Park

We will leave in the morning for Virginia. Upon our arrival at this scenic state, we will head to Virginia's beautiful Shenandoah Valley to visit **Luray Caverns**, the caverns are perhaps best known for the Great Stalactite Organ, a lithophone made from solenoid fired strikers that tap stalactites of various sizes to produce tones similar to those of xylophones, tuning forks, or bells. In the afternoon we will enter the Shenandoah national park to take **the beautiful skyline** drive. On the winding drive way on the mountains we will stop at the overlooks to observe the beautiful Shenandoah valleys. We will also take an easy walk on one of the trails among the mountains. A wonderful scenic tour is a must-do in the state of Virginia.
